"Constantly Hawking and Spitting." THOMAS J. RUSHING, Esq., 2002 Pine Street, St. Lewis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrik. I thought nothing could be done for me. Luckly, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
